August 30, 2021

Welcome Back Longview Families,

We are very excited about the new school year and the possibilities that exist. We hope that you all found time over the summer to relax and to reconnect.

While we approach the new school year feeling positive and encouraged, there are many things that still seem a bit uncertain. That being said we are beginning the school year with some caution. We will continue to use separate doors for students entering and exiting the building, cohorting within the school and on the playground, and maintaining hand hygiene. Since mask wearing is a recommendation, we as a staff will be wearing masks when we are in close proximity and when we are in common spaces. Mask wearing is a personal choice and we will be respecting the wishes of families – both to wear and not to wear. As such, we will be erring on the side of caution and will be limiting access into the building and deferring any family events and gatherings until October. We ask that visits/meetings to the school are prearranged, and that a request by a staff member to be masked is honored.

Please know how grateful we are to be part of your child's learning journey, as we certainly do not take that privilege for granted. Please reach out if we can be helpful in any way.

Sincerely,
Ms. Rhonda Bymak
