School Council Annual General Meeting

On **Monday, October 18th** we will be having the Annual General Meeting for our Millarville Community School Council. The meeting will take place online through Zoom from 7:00 – 8:00 PM.

School Council is a parent centred group that help advise the school on important issues. These include how money is spent, collaborating on how to organize the school day, identifying issues that may need addressing and helping to involve the students in the wider community.

We have need of more parents to get involved – we will be sending the agenda and meeting link this coming Monday.

Fundraising Meeting

Our fundraising society will be meeting will be on Tuesday, October 12th at the school. Like School Council, we are in need of parents to come to our meetings!

Hot Lunch

Our hot lunch program has been a big success – a huge thank you to our parent volunteers that make these days possible!

No School on
Monday, October 11th for **Thanksgiving**

No School on Thursday, October 21st or
Friday, October 22nd for the **FSD
Teacher Learning Conference**

Our school Hallowe'en celebration will be
on October 29th!

We are Grateful

While this is still not the year we hoped for, we still have so many things to be grateful for. We are thankful for the opportunities to participate in sports again, as our Flag Football and Junior Volleyball programs are in full swing. As well, we were able to hold our Terry Fox run and have our students see great success at the regional Cross Country Meet.

We have been fortunate not to have a confirmed case of COVID within our school, and we are thankful to you, our parents, as it has been due to your understanding and caution keeping students home when ill. We know that there have been several cases within our community and we ask that you please remain vigilant and cautious going forward.

Mrs. Smallwood has been working in the Library classes to help students think of what they are thankful for, shown in the cornucopia picture above. Ask your students what they shared.

As a staff, we are extremely thankful for our school community. I am proud of our MCS staff for their dedication to the students, providing incredible opportunities for learning throughout the past two years, despite the pandemic. And I am thankful to have been welcomed into this amazing community, with amazing parents, students, teachers and support staff.

Thank you for your support,
Tim Hasiuk

Millarville Hockey

Registration for Millarville Sports Association recreational hockey season remains open until Oct. 15 and welcomes returning and new players in all age groups. The MSA Hockey program is a coed, non-contact outdoor hockey program focused on skating and hockey skills development, good sportsmanship, and healthy activities for youth in the Millarville community. The MSA is a volunteer-run organization and hockey families all share the roles to keep our program running smoothly - there will be opportunities to choose your involvement. The Wildcat Hockey program is well established in Millarville and offers teams for ages 5-17 (age as of Dec 31, 2021). We're excited to have you join us!

Go to <https://go.teamsnap.com/forms/284869> to register. Questions can be emailed to Dawn Dott at dawn@clover-resources.com.
