Community Connect

Volume 1

The Foothills School Division Indigenous Advisory Circle began in the fall of 2021. We are a community of various stakeholders including parents, guardians, educators, leaders, and students. Our main goal is to build reciprocal relationships and work together to advance Truth and Reconciliation within Foothills School Division. This will be accomplished through authentic voice and action with participation from self-identified Indigenous students alongside volunteer parents and guardians and volunteers from Foothills School Division Staff.

Our Purpose:

Engage community voice and build authentic relationships to guide Foothills School Division to meet the needs of Indigenous students, families, and educators

Our Intention:

Coming to the fire in a good way

- respect each voice in the circle
- carry good intentions
- willingness and openness to hear others without judgment
- collaborate and direct planning and implementation of Indigenous education in FSD

Raising funds has never been tastier with **MEELA'S MIXES** delicious dry mixes of cookies, muffins, soups and more. All you need to do is add the wet ingredients.
