

BLACKIE BARK

NOVEMBER 29 to December 3

A Message from School Administration

It was another terrific week of learning at Blackie School. Thank you to everyone for sending students prepared with warm clothing so they can still enjoy recess breaks outside when the weather is a little chilly.

Our exciting news this week is that we've received confirmation that Chandos is nearing completion of the main entrance, front foyer, office space and student washrooms. If all goes as planned, we will transition to our new spaces just prior to the holiday break. It will feel amazing to start up in January with everyone under one roof!

Have a terrific weekend,
Chase & Tammi
