

# What's happening in Grade 3?

**UOI:** You've heard of 'Shark Week', well this week will be to 'Dinosaur Week'. It would be hard to get through a week without discussing the infamous T-Rex and fellow stars stegosaurus, triceratops, raptor, and brontosaurus, but beyond the fan favourites we will 'travel' to the Royal Tyrrell Museum in Drumheller to look at 'local celebrities'.

**MATH:** We're back to our Daily Math and Dinosaur Park Math based project. This week our focus will be on multiplication and its connection to repeated addition. There will be multiple (no pun intended) tasks on Mathletics. Some students may need extra time at home to complete all tasks. Once all tasks are finished students are encouraged to spend time on Live Mathletics.

## Reminders:

- Parent Teacher Interviews on WEDNESDAY
- New Spelling Activities for Lists B26-30 will be sent home on Monday. This week we are on List 26.
- Library Books are due on Tuesday
- Dress for all weather... cold, rain, snow, and shine!

Miss Olver  
Grade 3  
April 12<sup>th</sup> - 16<sup>th</sup>  
OPEN-MINDED

## Current Units of Inquiry

### How the World Works

#### Central Idea

Humans respond to the constantly changing planet.

#### Lines of Inquiry

- Earth's surface and composition
- Geology's impact on society
- Classification systems

### How We Express Ourselves

#### Central Idea

Perspectives are reflected in the way we communicate.

#### Lines of Inquiry

- Forms of Communication
- Purpose of Communication
- Impact of Communication

Our How We Express Ourselves UOI runs the whole year.
