

What's happening in Grade 3?

UOI: We wrapped up our Rocks & Minerals UOI and are moving into our final UOI about building and famous structures around the world. Looking at the construction of famous structures ties back to our study of the world but also gives insight into how and why structures have been built in history. As we'll learn, some famous buildings weren't built to last the test of time while others were!

MATH: We're starting a new Project Based Learning booklet - How to Run a Restaurant. It involves many of the math outcomes we've been practicing over the months. The work booklet was sent home, but the activity cards need to be accessed on the Grade 3 Google Classroom. This will be our last week of Daily Math.

Other Important Information:

- Please see the parent email for the access code to Learn Alberta.
- [Beef & BBQ Fundraiser - Orders Due May 12th](#)
- [Mabel's Labels Fundraiser](#)

Current Units of Inquiry

How We Organize Ourselves

Central Idea

Design influences the form and function of structures.

Lines of Inquiry

- Use of measurement
- Effectiveness of various materials and architecture

How We Express Ourselves

Central Idea

Perspectives are reflected in the way we communicate.

Lines of Inquiry

- Forms of Communication
- Purpose of Communication
- Impact of Communication

Our How We Express Ourselves UOI runs the whole year.

Miss Olver
Grade 3

May 3rd - 7th

BALANCED: I enjoy doing many different things and find balance between work and play to stay healthy.

Grade 3: At Home Learning May 10th – 14th

- **WRITING:** Two Journal Responses need to be completed this week. Students are encouraged to expand on the question and are expected to write at least a full page. Have your child read their response out loud to you when they are finished.
- **READING:** Each day we have DEAR (drop everything and read). Please ensure your child has the opportunity to read quietly, uninterrupted for at least 30 minutes each day. Extra time can be spent on RAZ Kids or GetEPIC.
- **MATH:** Week 30 is our final week of Daily Math, but I've also sent home a Project Based Learning booklet which includes multiple math outcomes. Access to Google Classroom is required for the activity cards. Extra time can be spent on Mathletics.
- **ALL ASSIGNMENTS NEED TO BE RETURNED TO SCHOOL**

Monday, May 10th

- ☐ Spelling List B30 & Daily Math
- ☐ UOI – Do you have a favourite famous building?
- ☐ Hearing & Sound – My favourite sounds are...
- ☐ Math: Run A Restaurant – Check Please! The food prices are on Google Classroom.
- ☐ Read for 30 minutes

Tuesday, May 11th

- ☐ Spelling List B30 & Daily Math
- ☐ UOI – Eiffel Tower article & questions
- ☐ Hearing & Sound – Parts of the Ear
- ☐ Journal Entry – Have you helped anyone recently?
- ☐ Math: Run A Restaurant – It's Payday! Calculate how much you owe your employees.
