

What's happening in Grade 3?

UOI: We will continue the virtual field trip making comparisons and parallels to the four structures studied while at home (Eiffel Tower, Leaning Tower of Pisa, Pyramids, and the Golden Gate Bridge) Last week we started testing the strength of arches and pillars; and further inquiry into the use of symmetry, triangles, cylinders, arches, and other common shapes.

MATH: This week we will complete the 'Run a Restaurant' book.

Other Important Information:

- No school on Friday.
- [Mabel's Labels Fundraiser](#)
- Please make sure all materials are returned to school, including: yellow folder, journal, and pencil box.
- Spelling Activities were returned last week.
- Students will be outside for PE and recesses this week. Please ensure your child has a water bottle and hat. It's going to be hot outside!

Current Units of Inquiry

How We Organize Ourselves

Central Idea

Design influences the form and function of structures.

Lines of Inquiry

- Use of measurement and geometry
- Effectiveness of various materials and architecture

How We Express Ourselves

Central Idea

Perspectives are reflected in the way we communicate.

Lines of Inquiry

- Forms of Communication
- Purpose of Communication
- Impact of Communication

Our How We Express Ourselves UOI runs the whole year.

Miss Oliver
Grade 3

May 31st - June 4th

REFLECTIVE: I think about my learning. I know my strengths and areas that need improvement. I ask for help when needed.
