

## Grade 3: Final Week of Learning at School

**Lost & Found:** Please check in with your child and let them know of specific items to look for. We are pretty good at recognizing each others' missing hoodies, etc. but sometimes "we" don't even realize it's missing!

**Library Books:** All library books should be returned by now. Mrs. Smallwood will be emailing families regarding late books.

**Time Outside:** We will spend as much time as possible outside this week, including a walk down to the lake.

**Noon dismissal on Friday**

### Monday, June 21<sup>st</sup>
