

What's happening in Grade 3?

READING: On Monday the Grade 3s will get to preview the Book Fair. Tuesday will be our shopping day. There are a lot of great books to choose from. My favourites are the Good Egg and Be You.

WRITING: As mentioned at the Meet the Teacher night, we have an incredible amount of writing samples all ready this year. Our Tuesday and Thursday journal prompts are part of the How We Express Ourselves Unit of Inquiry. This week we will be writing about the funniest person we know and our favourite cartoons.

MATH: We've spent the last couple Mondays practicing a variety of adding, subtracting, multiplying, and dividing questions in the 1st Basic Facts Book. On Monday we will finish the 1st book and I'll mark it. This will give me an idea of what types of questions we need more practice with.

UOI: We are looking at economics in UOI now. Last week we looked at the history of money. This week we will learn about goods & services, and what types of goods each of our four countries has - based on the geographical regions.
