

What's happening in Grade 3?

UOI: This month's attribute is Communicator. It ties in perfectly with our theme of 'kindness'. On Monday we will be writing letters to Santa, the residents of the Black Diamond Nursing Home, and/or members of the Canadian Forces. Other areas we will focus on this week include Rights of a Child, according to the United Nations, and the organization UNICEF.

WRITING: This week we are on List B13: Plural Words. A list of our twice weekly Journal Prompts can be found on the Grade 3 Google Classroom.

MATH: We are continuing with our Daily Math, but instead of practicing specific concepts/outcomes, we will learn different Math based games. Next week we are starting a two-week project based Math assignment, "How to Run a Christmas Tree Farm".

LEARNER PROFILES will be emailed home on Thursday via the office. Please let us know Friday if you do not receive a link. Parent Teacher Interviews will be held virtually, Tuesday December 8th.

Miss Olver
Grade 3

November 30th –
December 4th

COMMUNICATOR

Current Units of Inquiry

Who We Are

Central Idea

Rights and responsibilities support communities.

Lines of Inquiry

- Quality of Life
