

ADMINISTRATIVE PROCEDURES REQUIRING ANNUAL SCHOOL REVIEW

Background

Several Foothills School Division Administrative Procedures (APs) need to be reviewed and discussed with staff teams on a regular basis, and earlier in the school year. This AP provides a calendar that ensures relevant APs are reviewed in a timely fashion by school principals, school teams and school councils at the beginning of each school year. This review schedule will ensure Learner Engagement, Support and Success in all schools and across the Division.

Procedures

1. All Division personnel will acknowledge review of required APs as outlined in Appendix A through Public School Works annually.
2. Annually, School Principals will refer to the calendar in Appendix A and review, discuss relevant APs with the staff team and school council accordingly.

Appendix A

The following is a calendar of APs that need to be reviewed by the school administration (SA) and/or discussed with staff (S) and/or the school community (SC) at the appropriate times of the school year.
