

SMOKE-FREE ENVIRONMENT

Background

The Division is committed to smoke-free learning and working environments for all students, staff and volunteers.

The Superintendent is responsible for the administration of this administrative procedure.

Definition

In this administrative procedure:

Smoke-free pertains to the non-use of all tobacco and cannabis related products, including chewing tobacco and e-tobacco products (including vaping, etc.). Vaping of any product is considered smoking, therefore, not permitted.

Procedures

1. All Division property (including buildings, vehicles and outdoor spaces), whether owned or leased, shall be smoke-free.
2. All school sponsored activities must be smoke-free. Tobacco products are not allowed by students, staff or volunteers at any school or Division sponsored event.
