Visual Journal	5.00		
Technology Infrastructure Fee *		15.00	15.00
<b>Total:</b>	22.00	32.00	32.00

School fees are due and payable (to Foothills School Division #38) by September 30th in accordance with FSD Administrative Procedure 506 (Student Fees). We understand the financial burden that exists at the beginning of a new school year. If you wish, fee payments can be made by installments throughout the year by contacting Mr. Ellis or Ms. Goodwin.

\*In order to meet with the increasing demand by students on technology infrastructure, we implement a small technology fee of \$15.00 (Sept. 2011) for all students Grades 1-8

These are the basic fees. Our entire approved fee schedule is on our website <http://blackie.fsd38.ab.ca/> Many of the fees not listed here, on that approved form are user based for a specific event your child's teacher has requested. For example: Your child's teacher may decide to have an in-school field trip. If your child participates in that activity, you can request that the fee can be added to their on-line account at the time of the activity. You will then have the option to pay that particular fee on-line.

You will receive an email when the fees are available for payment (on-line or in-school). Foothills School Division is set up for credit card payment or Visa/Mastercard Debit. Interac debit is not available at this time.

Please contact the school if you have **any** questions regarding fees (403) 601-1752.
