

LOCALLY DEVELOPED COURSES

Background

The Division supports the local development and authorization of junior high school and senior high school complementary courses, which do not duplicate provincially authorized courses, in order to further develop the unique gifts and abilities of students and to encourage educational improvement and excellence through innovation at the local school level.

The Assistant Superintendent, Learning Services is responsible for the administration of this administrative procedure.

Procedures

1. Assistant Superintendent, Learning Services and principals are responsible for ensuring that provincial requirements are met.
