Board Report – Jeannine Tucker & John Bailey:

- John Bailey – attended our school council meeting today to introduce himself and let us know that if we have any questions or concerns not the hesitate to call him. He is enjoying being with FSD and hopes for many more years.
- Budget – Foothills School Division has been cut \$2.2 million from the Provincial budget in March 2015. Government has frozen any reserves that FSD has and it cannot be used unless they come up with a balanced budget and apply for permission to use it.
- There will be no reductions of the teaching staff, but due to teachers contract the teachers will receive a raise this year.
- There will be no increase in funding for enrollment in September. The government will be using the enrollment numbers from March of this year to determine funding per school
- FSD and School Council recommend that all parents and your friends go to Vote Compass AB 2015 – CBC.ca and review what each candidate is offering and make your decision when voting. We need everyone to vote so we can have a say.
