Dear Meadow Ridge Families,

Thank you to all of you who have been patient when dropping off and picking up your child(ren) this week while busses were not running. Our parking lot was not designed for 500 vehicles to come at once so we appreciate that you remain understanding and continue to ensure it is safe for students. When busses **DO NOT** run, we are allowing you to drop off and pick up in the bus lane. This does help alleviate some congestion. Please remember that when busses are running, we do not use the bus lane.

We also ask that you remain respectful to our faculty who are on supervision. They are not responsible for the parking lot issues and are trying to ensure it remains as safe as possible for students. We understand your frustrations but ask you to remain kind to those who may be asking you to move your vehicle from no parking zones. As we said, it was not designed for so many cars to be there.

FSD Engagement 2034

We want to ensure our students are well prepared for their future. Next year's incoming kindergarten class will graduate in 2034 and we want to know how you think we can best prepare them for 2034 and beyond. If you think about 2034, what will students need to know then to help them achieve their

dreams? Are there new skills they may need to develop? What will tomorrow's leaders need to know and know how to do to be successful?

We are asking you to help us plan the future of FSD, how we can adjust our plans, how this affects our 3-year Education Plan, and how to adjust next year's budget to help us achieve our future goals.

You'll have until June 2021 to join one of the many opportunities to provide feedback. Our FSD Vision 2034 Engagement is now open, join the discussion today: <https://engagefsd.com/vision2034>

Anti-Bullying Week

We are excited that students in 9B have planned anti-bullying awareness activities for the school from February 22nd to 26th. Through their Leadership option, they will provide activities so students understand what bullying is and how they can help stop it.
