

February 2021

Dear Parents,

In UOI, we have started our unit *Where we are in place and time*, we are inquiring into the development and growth of Alberta. So far, we have been looking at the fur trade. We have been reading and responding to the novel, Ticket to Curlew, a story about a family who come to Alberta to settle in 1915. We will be having a virtual field trip to the Glenbow Museum on February 23rd to support our learning. It's so exciting they have starting offering virtual field trips. We will continue this inquiry for the month of February.

In Math, the class has been working on the measurement of area using standard and non-standard units of measurement. We will have our chapter 8 test next week, check your child's agenda for the exact date.

In French we are continuing to practice the months of the year and how to say the date. We will start learning about the seasons and vocabulary associated with that.

We will be celebrating Valentine's Day on February 12th. The students will be able to hand out cards to their friends. Unfortunately, we won't be able to bring treats to share. Please have your child's cards sent in to the school by Feb. 10th so they can quarantine for a couple of days.

Mon: PE
Tues: PE
Wed: PE, Library
Thurs: PE
Fri: PE and OP

Other Important Dates

Feb 15-19 – February break – no school for students.
March 12 – No school for students
March 26 – Learner Profiles go home

Thank you for your continuing support.

Ms. Elliott
