

February 2021

Dear Parents,

In UOI, we are continuing our inquiry into the settlers who came to Alberta. We have a virtual field trip to the Glenbow Museum on February 23rd to support our learning, and they even adopted our class and we are receiving the program for free!

In Math, the class is just finishing up our chapter review for measurement, we will correct the work and have the chapter assessment on Wednesday, February 24th.

In French, we continue learning about the seasons and vocabulary associated with that.

On Wednesday, February 24th, is the Telus Be Brave End Bullying Online Event. We will be watching this event in the morning as a class. Please wear a pink shirt to show our support for Pink Shirt Day. I was one of the first 25 teachers to sign up for this program and I won a prize pack for the class.
