

# Millarville Community School

January 18<sup>th</sup>-22<sup>nd</sup>

## Unit of Inquiry

Last week the students read various fairytales, and created their own versions of Jack and the Beanstalk. Our classroom was full of laughter as the students acted out "The Three Bears" and "The Three Billy Goats Gruff", as part of our classroom readers theater.

This week the students will be continuing with their readers theater, reading "Little Red Riding Hood", and continuing their discussion of how stories can evoke emotions.

## Spelling

We will be focusing on long O words. Our spelling words are: rope, hope, hole, pole, tone, cone, bone, poke, woke, slope. All our spelling words can be found on the Google Classroom. Your child can practice these words at home through fun activities such as printing each word using rainbow colours or special markers!

## Home Reading

Read, Read, Read! If your child has read their home reading books to you a few times, encourage them to read to other members in the family. This could mean reading to their siblings, grandparents, or other family members.

## Math

Last week, the students identified different 2D shapes within the classroom and created these shapes using Playdough. This week the students will be continuing to explore shapes and looking at the different attributes of 3D shapes. Ask your child what 3D shapes he or she can identify at home.

## Attribute of the Month

### Principled

Students act with integrity and respect the dignity of other individuals and groups. Students take responsibility for their own actions. Students understand what it means to be fair.

## Our Current Unit of Inquiry
