

January 2021

Dear Parents,

In UOI, the class has been working on finishing up their summative assessment for our *How we express ourselves* unit of inquiry. They have been reflecting on important events in their lives to draw images on a story robe and write the story of when they have learned a lesson. Next week we will be moving into *Where we are place and time* where the focus will be on newcomers to Alberta and how they influenced the development of the province.

In Math, the class has been working on the measurement of time.

In French we starting learning the months of the year and how to say the date.

Next week is literacy week, many thanks to Mrs. Smallwood for organizing the week with some fun literacy based activities. Please check your child's agenda for the theme of the day.

The MCS Fundraising Committee is looking for some help, if you have some time to spare, please consider joining this group of parents.

Mon: PE
Tues: PE
Wed: PE, Library
Thurs: PE
Fri: PE and OP

Other Important Dates

January 22 – Professional Day
