

Millarville Community School

June 21st-25th

What's happening in grade 2!

This week we will be wrapping up any unfinished work in our unit of inquiry and reflections. The students will also be working on summer poetry and engaging in math review as well as art. It has been an absolute pleasure watching the students grow this year. I am truly thankful to have been apart of their learning journey. Have a relaxing and safe summer!

Attribute of the Month Reflective

Students are responsible for their own learning. Students are able to assess their strengths and challenges. Students can set goals to support their learning.
