Classroom News

I hope you are enjoying looking through baby pictures to print out the 5-15 photos for our poster project! **If possible, please write your child's age on the back of the photos. It will help me support your child as they organize their pictures into a timeline to show their growth and change.** Send in photos by October 1.

As we enter into the traditional cold and flu season, it is very important that families keep their child home if they show any symptoms of being sick. With students being out of school more often, I will provide a monthly guide to give your child activities to continue their learning at home. It will be available on our new Google Classroom. I ask that **all families access our Kinder 2021 Google Classroom using their child's Foothills School Division email address. Please do this before next Tuesday.**

*All usernames are **first.last@gm.fsd38.ab.ca** and passwords are **Pass5307** for all users. Please leave the passwords for now. If your child's email doesn't work the first time, there are a few users where, due to a common name, a middle initial had to be built into your username*

(first.middleinitial.last@gm.fsd38.ab.ca)

The students have not logged into Google Classroom before so please follow the directions in this youtube tutorial created last year by our past principal, Glenn Gibson. https://youtu.be/B_ZwPu4M7gY

Start by opening Google Chrome, click Sign In on the right side, click use another account, and then you should be prompted to **enter your child's google address**. Then follow the directions in the video. An invitation to our Google Classroom should also be in your child's google email account. Check there OR use this link <https://classroom.google.com/c/MTc0MzQyNjg2NjAz?cjc=zglv5bi>

Contact me if you have trouble logging your child in or accessing Google Classroom. In the event that our class moves into online learning from home, Google Classroom will be where all lessons and info is posted.

Have a great weekend!

Important Dates

Sept 29 – Apple Order Pick Up, 2:30-3:30

Oct 1 – Try out Google Classroom by this date!

Oct 1 – Deadline for sending in pictures for our posters

Oct 23 – Kinder Friday
