Student of the Week

When your child is star, please email me
a picture of him/her and 5 - 10 pictures
about him/her. The following things are
ideas that you could email me: My
Family, My Pets, Where I Was Born, My
Favourite Colour, My Favourite Book, My
Favourite Thing to Do, My Favourite
Food, My Favourite Toy. These items will
be put up on the smart board for your
child to talk about. We will have star of
the week time in the mornings. The
children love to tell stories about their
lives.

May 3 – Bridget
May 10 – Kayden
June 7 – Kasia

Classroom News

This past week the children enjoyed tasting items that were sour, bitter
(not everybody like the arugula), salty and sweet. On Monday, the
children will share what they know about animals with super senses. We
are hoping to finish up this unit of inquiry in the first week in May.

In Math, we will continue to practice addition and subtraction from 20.
We are working on Math families ($2+3=5$, $3+2=5$, $5-2=3$, $5-3=2$).

Numeracy Ideas – Practice adding and subtracting objects at
home, like cheerios, chocolate chips, and a favourite is mini-
marshmallows.

Literacy Ideas: Your child can read a book to his/her sibling or
stuffed animals, or real animals, if the animal will stay still. ☺

Parents – check out Grade One Google Classroom for pictures of
the children playing outdoors.
