Dear Parents,

In UOI, we finished up the regions in Alberta. We will continue our inquiry by moving in to the relationship the Indigenous people of Alberta had with the land and how they lived. In Math, we are finishing the numeration chapter and will have the assessment early this week and then we will be starting the next chapter on addition and subtraction. To help support this from home, the kids are encouraged to play games where adding is part of the game, for example Yahtzee or cribbage.

Mon: PE

Tues: PE

Wed: PE, Library

Thurs: PE, Sewing Club

Fri: PE and OP
