Dear Parents,

Happy Halloween! I hope that everyone had a great weekend and a fun Halloween. The students sure seemed to enjoy our Halloween activities we did in class. I am respectfully requesting that kids are not bringing Halloween candy in their lunches.

In UOI, we are continuing our inquiry into the regions of Alberta. I enjoy how the kids are making personal connections to their family road trips around the province and sharing their experiences. In math, we will be ordering and placing numbers on a number line.
