

November 9, 2020

Dear Parents,

In UOI, we finished up 2 more regions in Alberta. We have also been reading Indigenous stories and discussing the purpose of the story; to entertain, inform, explain, persuade and describe. In Math, we will be finishing up our numeration chapter. There is one more lesson where they will learn how to order a set of numbers in a complete, clear, and organized way and then explain their thinking. We will also have the chapter assessment this week.

There will be a virtual Remembrance Day Assembly on Tuesday, November 10th. More information on how to watch will be coming. We are very excited to welcome a new student to our class on Tuesday. Shout out to Eva and Abigail for spending one of their recesses cleaning up the school yard.

Mon: PE

Tues: PE

Wed: Remembrance Day- No school

Thurs: PE, Sewing Club, Library

Fri: PE and OP

Other Important Dates

November 11 – Remembrance Day.

November 27 – Professional Day

December 4 – Learner Profile goes home

Have a great week.

Ms. Elliott
