

Millarville Community School

Grade 2

October 19th-23rd

What's happening in Grade 2?

This week the students will be planning and creating their own spider diaries based off of the book "Diary of a Spider" by Doreen Cronin. Within our daily writing, the students have started discussing how they can improve their sentences by checking for capitals and periods as well as adding descriptive words.

Literacy

Spelling: This week the students will be focusing on short e spelling words (best, test, fell, bell, hen, pen, get, well, pet). Your child can practice these words at home through fun activities such as printing each word using rainbow colours or special markers!

Home Reading

The students are loving their new home reading program! Please remember to be returning your child's book bag every Monday to receive new books!

Math

In math the students are continuing to work with ordinal numbers. This week, the students will be using their knowledge of ordinal numbers to solve word problems!

Housekeeping

If your child is absent from school please let me know via email as well as the school office at millarville@fsd38.ab.ca.

We have library on **Wednesdays**. Please have your child return their books.

Our **Meet the Teacher** night will be virtual on Thursday, October 22nd from 6- 7pm. I will be sending out an email this week with further details of how to join this meeting. I am looking forward to seeing you all!

Attribute of the Month Knowledgeable

Students develop and use conceptual understanding, exploring knowledge across a range of disciplines. Students engage with issues and ideas that have local and global significance.

Current Unit of Inquiry Sharing the Planet

Central Idea

Insects interact with our environment.

Lines of Inquiry

Role of insects in our environment
Human responsibility to nature.
Types of insects
