

Student Learning Conferences

Our first Student Learning Conferences will be held on Wednesday, November 4th and Thursday, November 5th. They will be held virtually over Zoom. Being that we could not have Meet the Teacher this year at the school and students were completing Emergency Online learning last year, it is important to connect about your child's progress before Term 1 Learner Profiles are emailed home.

Each conference will be 15 minutes in length. Your log-in will be the same as the one you created last year. If you forgot your password, please contact [Mrs. Peever](#) to have it reset for you.

New users can click on the 'Register Now' button and create a profile. Below is the link to Conference Manager. You can also find it on our school website under 'Families/Conference Manager'
