

October 16th, 2020

Dear Parents,

We have wrapped up our Who we are unit of inquiry and we will be starting our next unit, How we express ourselves next week. We will be inquiring into the 6 natural regions in Alberta and the Indigenous peoples of Alberta and their stories.

In math, we have started our numeration unit, we will be looking at numbers to 10 000, place value and comparing and ordering numbers.

Meet the Teacher will be held virtually on Wednesday, October 21st at 7pm. I will send out a google meeting invitation to each family next week and I hope you will be able to join me.

Like so many things this year, Halloween will look different in grade 4 than it has in the past. We will not be dressing in costumes this year but in Halloween colours. We will celebrate in our classroom on Thursday, October 29th. We will be playing some Halloween themed games and activities. The students have so many great ideas! Sadly, we will not be able to have any treats this year. ☹️

Thank you to the families that have filled out the Parent survey, if you have not completed this yet, could you please take a few minutes to do so. I'm still waiting for a few more to be completed please and thank you.
