

October 23, 2020

Dear Parents,

Thank you for coming to our Virtual Meet the Teacher on Wednesday evening, It was so great to see you! I hope everyone has had an opportunity to see our little slide show.

Next week we will be continuing our inquiry into Alberta regions, so far we have learned about Alberta's beginnings and The Rocky Mountain region. We are looking at what makes each region special. In math, we are working on expanded form and comparing and ordering numbers.

Next week is book fair. Grade 4 will have the opportunity to browse the book fair on Monday and then we get to shop on Wednesday during our library time.

The Grade 8 class will be hosting our Remembrance Day Assembly virtually. Please see the following message from Mrs. Hanson,

This year, our Remembrance Day assembly on November 10 will look a little bit different than usual, as we will be commemorating the day virtually. In lieu of a guest speaker, the grade 8 class is inviting the Millarville community to consider our connections with the Canadian military, both in the past and the present day. We invite all MCS families to share information about their family members who have served, or who are currently serving, with Mrs. Hanson so that it can be included in a slide show during the virtual assembly. We would need the following information (an example of how the information will appear in the virtual assembly is attached):

- *A digital/scanned photograph*
- *The individual's full name (and date of birth/death if known/applicable)*
- *Brief information about their service (bullet points OK!)*
- *The individual's connection to MCS (i.e. "Uncle of Sally Smith, Grade 4")*

We kindly request that all submissions be sent to hansonk@fsd38.ab.ca no later than Friday, October 30

Mon: PE

Tues: PE

Wed: PE & Library

Thurs: PE

Fri: No school for students.

Other Important Dates

Oct. 30 – Professional Day

November 11 – Remembrance Day.

Have a great week.

Ms. Elliott
