

October 5-9

Dear Parents,

Next week in grade 4 we will be wrapping up our first chapter in math on patterning and algebra. We will be having our assessment on Wednesday. If you would like to have some extra practice for your child, the Math Focus webpage has a student and parent centre where students can practice their skills.

<https://www.nelson.com/mathfocus/grade4/student/tryout.html>

In UOI, we are starting our summative assessment. For this your child will be reflecting on their most significant relationships and writing about how those relationships are influencing who they are becoming. Your child will be asking you to get copies of pictures to use for this assignment. These pictures are due on Oct. 8<sup>th</sup>. If you would like to email them to me, I will order and pick them up from Costco. The due date for this will also be Oct. 8<sup>th</sup>.

Picture day is Tuesday.

Thank you to the families that have filled out the Parent survey, if you have not completed this yet, could you please take a few minutes to do so.
