

Millarville Community School

Grade 2

October 5th-9th

What's happening in Grade 2?

This week the students will be continuing to learn about Butterflies. In addition they will be deepening their understanding of the roles that different insects play in the ecosystem (decomposers and consumers)

Literacy

Spelling: This week the students will be focusing on the following sight words (I, am, be, come, for, funny, little, here, is, jump, make).

Home Reading

Our home reading will begin this week. Please ensure your child is bringing back their home reading books every **Monday**.

Math

This week in math the students will be learning about describing the position of objects using ordinal numbers and reviewing our basic math skills of counting and adding numbers.

Housekeeping

If your child is absent from school please let me know via email as well as the school office millarville@fsd38.ab.ca.

We have library on **Wednesdays**. Please have your child return their books.

Picture Day on **October 6th**. The students will be taking individual pictures outside.

Attribute of the Month Knowledgeable

Students develop and use conceptual understanding, exploring knowledge across a range of disciplines. Students engage with issues and ideas that have local and global significance.

Current Unit of Inquiry Sharing the Planet

Central Idea

Insects interact with our environment.

Lines of Inquiry

Role of insects in our environment
Human responsibility to nature.
Types of insects
