Spirit Wear

Our first fundraiser of Grizzly Gear has been such a success and we have had many families ask to order again. In response, we have opened an online store which will **close on October 16th at 11:59 pm**. There are some new items for those who would like something different. Please see the attached form for the details. Orders will be delivered to the school in 4-5 weeks after the closing date.

Dogs on School Property

We love our pets and we love dogs. However, there is an increasing amount of dogs coming to school with students. To ensure our school remains safe for everyone, we ask that dogs do not come onto school property or that they remain in the vehicle. Please remember that some students and adults are severely allergic to animals; some students are extremely frightened of dogs. Since our school yard is a park where kids play, it is important to keep it safe and clean as possible. Thank you for understanding and being considerate of others.

COVID Questions?

Foothills School Division has partnered with the Calgary Rural Primary Care Network to share their timely medical and socio-emotional supports. Please see attached document that outlines their many available services within our community.

FSD continues to actively build partnerships with Alberta Health Services to support our students, families, and staff. We believe that the CRPCN can help our families answer any emerging physical or mental health questions they may have and support them.

We understand that all Albertans are living through unique and challenging times. The safety and well-being of our schools and community continue to be our priority.
